

# FRIENDS OF BURSCOUGH STATIONS GROUP

Who are the Friends of Burscough Stations? A group of like-minded volunteers who understand that small railway stations often need a helping hand from the community to keep them looking clean and tidy. We also try to keep planters and flower beds free of weeds and full of colour.

As a group we look after Burscough Bridge and New Lane on the Wigan to Southport Line and Burscough Junction on the Preston to Ormskirk Line.

Our current project is to work with the Community Rail Partnership, Network Rail and Northern Rail to improve the environment of Burscough Junction station particularly the disused platform, which is in a neglected state.

If you feel that you can help in any way with this project or by maintaining existing planters at other stations then please get in touch with the Group Chair, Brian Bailey on 01704 894557 or by emailing the Secretary on:
