

Friends of Meols Cop

Did you know that your local station now has a supporters club?

Could you give an hour to tidy and beautify our community station?

The Friends of Meols Cop is an informal group of passengers which meets every 2nd Sunday on the station from 11-30 until 12-30.

If you would like to be involved just bring along your gardening tools and join us.

We want to hear from you, too. Through our connections with user groups and the rail industry we want to improve everything about our station, including the trains and services.
