

ROUTE DESCRIPTION

This is an ideal route to enjoy some of Southport's best landmarks and it is clearly signed in both directions.

You will pass beach cabins, home of the Shrimpers of Southport at the southern end of the route. Along the sea front you will have views out to the Irish Sea and pass a variety of interesting

sculptures including the Trans Pennine Trail's Sea Mark. You will pass under the second longest pier in Britain, with its cafes and penny arcades.

You will pass the Marine Lake, home to a variety of watersports and the Southport Belle, a Mississippi style paddle steamer, and through Kings Garden, the home of the model railway village.

- 1 Turn right from the Eco Centre car park and head down Esplanade.
- 2 Go right at the roundabout and onto the shared use sea wall cycle path.
- 3 Continue along the path passing the Trans Pennine Trail art feature and under the pier up to the next roundabout.

4 Cross the roundabout to the right onto Fairways, follow the cycle track to the Promenade and turn right on the shared use cycle path.

5 Continue along path with the lake to your right up to the Lakeside Inn.

6 Turn right into the car parks and follow the path around the lakeside past the hotel, under the pier and up to the Lakeside Miniature Railway.

7 Go left, then right onto the shared use path past the Fairground and straight ahead back to the Eco Centre.
